FOR IMMEDIATE RELEASE

Location and Destruction of Abandoned Monitoring Wells (State Route 1) Pacifica Post Mile 42.02

Pacifica/San Mateo County- The California Department of Transportation (Caltrans) will begin the location and destruction of two monitoring wells on southbound State Route 1, from south of San Marlo Way to the intersection of Rockaway Beach Avenue in Pacifica. Scheduled work will take place in the right turn lane at southbound State Route 1 and Rockaway Beach Avenue. (State Route 1 traffic will not be affected).

Upcoming work is scheduled to take place in two phases, the first phase is planned for Monday, December 19 and Tuesday, December 20, between the hours of 10:00 AM to 3:00 PM. Phase two is scheduled between December 26, and January 6 with the same hours.

Scheduled construction is as follows:

- Potholing and locating underground utilities.
- Excavation and Ground Penetrating Radar (GPR) surveys.
- Destruction of the located monitoring wells.
- Backfilling of excavated areas and re-landscaping as necessary.

This work will require temporarily blocking five parking stalls at the intersection of Old County Road and Rockaway Beach Avenue.

This project is anticipated to be completed by January 2017 (weather permitting)
